Quality Standards	
Visual Condition:	Lettuce leaves are to be clean and fresh. Each head of lettuce must contain 3 varieties of lettuce (Red and Green). The heads shall fill the clamshell completely - clamshells must appear full. The heads shall be placed in the clamshell with the root ball attached and placed into the bottom of the clamshell - the lettuce must be living. The Foodland Ontario sticker shall be applied to the front of each clamshell and the top left corner of the short side of each case.
Color:	Mixed
Shape:	N/A
Size:	2 heads shall fill the clamshell package completely.
